

ASSOCIATION OF **BOBATH TRAINED THERAPISTS** GERMANY

Founded

The Association was founded in 1977 in Munich.

Members

The **ASSOCIATION OF BOBATH TRAINED THERAPISTS** is an interdisciplinary association. Physiotherapists, occupational therapists, speech therapists and medical doctors can become members if they have obtained a Bobath-Certificate by VEBID (German and Austrian Organisation of Instructors, teaching the Bobath concept) or GKB (German Bobath Tutor Organisation and their Teaching Centres).

For those who are interested in the Bobath concept, it is also possible to become a supporting member. Currently, 1300 members from Germany, Austria and Switzerland are associated.

Activities

- Initiating and Supporting scientific and **interdisciplinary Bobath Projects** and workinggroups
- Convening the **Scientific Advisory Board** (Wissenschaftsbeirat)
- Publishing the **Bobath-Journal „Bewegung und Entwicklung“** (movement and development)
- Defining quality-standards and definition steps of **quality-assurance** (Qualitätssicherung)
- Publishing the **Manual for Bobath Therapists** „Handbuch für Bobath-Therapeuten“
- Maintaining the **Bobath Archives**, by collecting and editing articles, books, recording tapes, Films

- Organising **public relation work** (Öffentlichkeitsarbeit) to give more information about the Bobath concept and the therapists

- **Cooperating and networking** with other associations and organisations in Germany, the European Union worldwide to develop the idea of the Bobath concept worldwide.
